Hi Charlie,
OPA needs a desk statement by this afternoon. Megan, Charlie is going to be our point of contact with Mike so that we can minimize the number of people asking Mike questions while he's at the response. I know that I just talked with Charlie and they were going to do an update with Mike sometime this morning.
Megan, can you coordinate with Cisco and let him know that

Thank you,
Mindy Clements, EPA Region 5 SFD, 312-886-6439 (O); 312-802-2812 (BB), Emergency Response

I'll be out all morning, back after noon. Thanks F*
